LETTER OF RECOMMENDATION

I am pleased to recommend **Mr. Mohd Rizwan Ali S/o Mr. Mohd Sadiq Ali**, with bearing Roll No. **1084-15-401-013**, 2015-2018 batch student of Bachelor of Commerce for Masters at your esteemed university. I have enquired about his proven merit and conduct with the respective department faculties who taught during the batch. I found his to be very penetrating, clear and also sharp in operation. He has displayed an impressive ability to grasp the essence of the subject. He is extremely good in all subjects. Persistent determination to reach his goals combined with high motivation makes him a remarkable student. He has the quality of being able to perform, which facilitates achievement. He has the ability to working dependently and held in great esteem for admirable qualities especially of an intrinsic nature.

During my contact with him I have found him to be intelligent, characterized by hard work and perseverance and a methodical young person meeting deadlines. I have recognized his capacity to think originally and express his thoughts with clear expressions in English in oral as well as forms. Occasional hitches tend to reinforce his commitment and resolve with the result but in the long run with his steadiness of mind under stress he can easily overcome this and achieve his targets. I have found him to have a persistent determination and a state of active curiosity while working towards his accomplishments.
